then will go to field

Optional 2<sup>nd</sup> Day in Field

Sunday, April 7<sup>th</sup>

10 am – 2 pm

Day 1 required to participate in Day 2

This quality, hands-on training will give you the skills you need to effectively and safely use a chainsaw for forest health and property maintenance.

Training will be presented in three parts:

- Chainsaw Maintenance – cutting safely requires a well running saw.
- Chainsaw Safety & Personal Protective Equipment - including things to watch out for while cutting.
- Tree Felling & Cutting Skills – classroom review followed by field exercises.

Presented by: **Eric Philips**, Wildfire Mitigation Specialist, Rocky Mountain Resource Protection and **Eric Folwell**, Wildfire Mitigation Specialist, Rocky Mountain Resource Protection NWCG ENGB and Forestry Consultant to Boulder County

Participants, please bring:

- your lunch and plenty of water
- your own gear, chain saw, helmet, gloves, ear and eye protection, chaps. Wear long sleeves, pants, and boots.

**Space is limited.** Please contact Jody Dickson at 303-588-6639 or [jody@dickson.org](mailto:jody@dickson.org) if you would like to participate in this training. Please specify if you want the 1 or 2 day training.

Cost is \$40 per person for the 1 day training.

\$60 for the 1.5 day training (more field time)

Work off the classroom fee with labor in our regular Saws & Slaws events! Ask Jody for more details.
